2018 Moon Mountain Chardonnay sourced from our vineyard nestled at the top of Moon Mountain. At 1,600 ft elevation, with heavy influence from both the Pacific Ocean and the San Pablo Bay, the grapes are treated to warm days and cool nights. It is this daily diurnal shift in temperatures that creates distinctive world class white wines around the globe.

Our Chardonnay is bright and fresh, with notes of fresh squeezed lemon, tart pineapple, lime blossom, honeysuckle and crushed rocks. On the palate the bright citrus notes, meld with a creamy texture that is reminiscent of lemon meringue with a similar ethereal lift. Just as the flavors envelope your palate a beam of vibrant acidity slices through the creamy texture and creates a finish that is refreshingly bright and lingering.
