2018 Moon Mountain Sauvignon Blanc Theorem Vineyard's Sauvignon Blanc Moon Mountain District is the first wine from our Moon Mountain vineyard in Sonoma County, and it is also the first white wine we've produced. Our Sauvignon Blanc is a delicious ultra-premium wine filled with rich and vibrant aromas that leap from the glass and make you want to take another sip. It's tasting notes reflect the incomparable qualities of our Moon Mountain vineyard estate that is perched above Sonoma Valley at 1,600 feet elevation.

Strikingly aromatic, the 2018 Theorem Vineyards Sauvignon Blanc leaps from the glass with a beautiful array of citrus, stone fruit, flowers, herbs, and minerals. Everything translates through to the glass, with fleshy peach and ripe melon exploding on the palate. Lime zest and rocks tangle with jasmine, adding verve and complexity as it rides the long, crisp beam of acidity. Enjoy with family and friends, by the pool, on the beach, and with all your favorite summer dishes.
